The CDTI (Centre for the Development of Industrial Technology), a public entity depending on the Spanish Ministry of Economy, Industry and competitiveness, organizes in Madrid, on February 20th, 2018, an Information day on the 2018 Secure Societies call – H2020, intended to inform Spanish entities about this call. In order to facilitate the generation of consortia for the call, **the CDTI invites French entities to join the Conference, especially the Business to Business event.**

During the morning session, the Information Day will be developed, almost all of it in English, and in the afternoon a "business to business" event is planned, in collaboration with the French National Contact Point, the GICAT Association and Madrimasd Foundation (member of Europe Enterprise Network) in which Meetings between entities will be facilitated in order to create project consortia.

*Le CDTI, organisme du Ministère de l'économie espagnol, organise à Madrid le 20 février prochain une journée d'information Horizon2020-volet sécurité, à destination des entités espagnoles. Souhaitant profiter de cette occasion pour faciliter la formation de consortiums aptes à répondre aux appels d'offre du programme, **le CDTI invite également les entreprises françaises à se joindre à l'évènement.***

La matinée sera réservée à des conférences d'information, pour la plupart en anglais, et l'après-midi à des rencontres Business to Business permettant aux acteurs de se connaître et de prendre un premier contact pour envisager des propositions communes. Vous trouverez un programme prévisionnel joint.

El CDTI (Centro para el Desarrollo Tecnológico Industrial), entidad pública empresarial dependiente del Ministerio de Economía, Industria y Competitividad, organiza en Madrid, el día 20 de febrero de 2018, una Jornada informativa sobre la convocatoria 2018 de Sociedades Seguras – H2020, destinada a informar a las entidades españolas sobre dicha convocatoria. De cara a facilitar la formación de consorcios para la convocatoria, **el CDTI invita a entidades francesas a unirse a la jornada, especialmente a la parte destinada a Business to Business.**

Durante la mañana se desarrollará la jornada informativa, casi toda ella en inglés, y por la tarde está previsto una jornada « Business to Business », en colaboración con el Punto de Contacto Nacional de Seguridad Francés, la asociación GICAT y la Fundación Madrimasd (miembro de la Europe Enterprise Network) en la que se facilitarán encuentros entre entidades para facilitar la formación de consorcios.

To register for this event, it will be mandatory to follow the instructions carefully:

- **1st: Register through ESHORIZONTE2020.ES: www.eshorizonte2020.es -> go to Agenda, 20th February 2018, and**
- **2nd: Register at the SICUR web site: http://www.ifema.es/sicur_01/Visitantes/registro/index.htm**

We will not be able to guarantee the correct Access to the Information day in case those 2 steps are not strictly followed.

Parallel sessions

Proposal review – for Spanish entities, only. SALA GOYA

16:00 – 18:30

Procedure

Those Spanish entities wishing to hold a bilateral meeting with the Secure Societies National Contact Points in order to check Project ideas or make a proposal review, should submit the idea before the **14th of February 2018**, using the template (“**Entrevista bilateral – Plantilla-Infoday 2018.docx**” – you can download it with the Draft Agenda) and send it to Ms. Belén Díaz, belen.diaz@cdti.es.

The time Schedule for the proposal review will be sent to the proposers some days previous to the Infoday. **Depending on the number of project ideas received and the availability of the National Contact Points, we'll contact proposers on the 16th of February at the latest, to inform them about the appointments.**

Entrevista bilateral – Plantilla-Infoday 2018.docx: Download the document with the agenda (included in the .zip file, when the registration is done)

End-users - for Spanish entities, only

16:00 - 18:30

Bilateral meetings with end-users

Objective: To facilitate interviews between industry, academia and research organizations with Security end-users in order to launch proposals for the 2018 Secure societies calls.

Procedure: This session will be put in place with the cooperation of the following Law enforcement agencies and other security practitioners.

- Guardia Civil
- Cuerpo Nacional de Policía
- Unidad Militar de Emergencias
- Ministerio de Defensa – Subdirección General de Planificación y Tecnología
- Policía Municipal de Madrid
- Ertzaintza
- Secretaría de Estado de Seguridad (Ministerio del Interior)
- INCIBE (Instituto Nacional de Ciberseguridad)

Access to the request a bilateral meeting: <https://sicur-2018.b2match.io/>

Those entities interested in holding a bilateral meeting with any of those end-users, they'll have to register at the b2match tool, by clicking in the link and choosing the “End Users. Security Forces” option. The duration of the bilateral meetings will depend on the number of requests.

The requests for bilateral meetings must be made before February 15th, 2018.
